

2023 Slide Sessions

Genitourinary Pathology

Schedule and Faculty

June 3, 2023 Virtual Meeting via Zoom in Pacific Time Zone

Wei Xiong, MD, PhD. FRCPC

8:55 am

PNWSP President

Introductions and Welcome

Faculty and Schedule

Maria Tretiakova, MD

Renal Tumors

9:00-9:50 am

Q & A: 9:50-10:00 am

Kiril Trpkov, MD

Bladder

10:05-11:05 am

Q & A: 11:05-11:10 am

5 minute break

11:10-11:15 pm

Kiril Trpkov, MD

Prostate

11:15-12:05 pm

Q & A: 12:05-12:15 pm

Gang Wang, MD

Testicular Pathology

12:20-1:10 pm

Q & A: 1:10-1:20 pm

Pacific Northwest Society of Pathologists

The College of American Pathologists designates this live (or internet live) educational activity for a maximum of **4 AMA PRA Category I Credit(s)**[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Faculty-in alphabetic order

Maria Tretiakova, MD, PhD

Professor-UW Medicine

Department of Laboratory Medicine and Pathology
Seattle, Washington

Kiril Trpkov, MD, FRCPC

Professor of Pathology

Genitourinary Pathology

University of Calgary, Alberta

Gang Wang, MD, PhD, FRCPC

Clinical Associate Professor

University of British Columbia

Vancouver, British Columbia

Registration

PNWSP Member	\$50.00
Join the PNWSP	\$300.00 for 3 years
Non-Member	\$250.00
PNWSP Resident Member	Slide Sessions is free
Non-Member Resident	\$25.00
Join as a Resident Member	\$75.00 for 3 years
Pathology Assistant or Cyto	\$125.00
Total:	<hr/> \$

Save the Date for the 2023 Fall PNWSP Meeting
October 28-29, 2023 in Portland, OR

Objectives

Accurately recognize recently described and historically problematic entities of renal tumors with predominantly eosinophilic features.

Diagnose and report clinically relevant subtypes of oncocytic tumors with specific prognostic, therapeutic, and hereditary implications

Knowledgeable use of ancillary techniques including cytomorphology, immunohistochemistry and molecular testing in the work-up of difficult case.

Recognize common diagnostic challenges regarding grading and staging of urothelial carcinoma

Recognize recent terminological changes introduced by the WHO Classification of GU tumors 2022 (5th edition)

Review strategies and approaches for diagnosing common and uncommon urothelial/bladder lesions

Recognize the uncommon tumors in testis and accurately stage the testicular tumors

Recognize the diagnosis criteria of somatic-type malignancy of germ

Joint Providership Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the College of American Pathologists and PNWSP. The College of American Pathologists is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The College of American Pathologists designates this live (or internet live) educational activity for a maximum of 4 AMA PRA Category I Credit(s)[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Disclaimer

The content of this accredited CE (CME) activity does not necessarily reflect the view or policies of the College of American Pathologists.
